HOW CAN MINDER BENEFIT YOUR BUSINESS?

- **Working from home** – 3 in 5 (60%) in UK and Ireland work from home all or part of the working month

- **Risk Assessment** - It is an employer's duty to assess risks to employees and take steps to avoid or control the risks.

- **Corporate Manslaughter** – In the USA the Corporate Manslaughter and Corporate Homicide Act 2007 clarifies the criminal liabilities of companies, including large organization's where serious failures in the management of health and safety result in a fatality.

- **Proactive rather than Reactive** - A Proactive Approach is required to identify and manage risk and improve the safety of employees and protect an organisations most important assets.

Over 60% of employees work alone
- Injuries in the workplace (Ireland)
- 55 deaths
- Usually aligned with economic activity.
